Although the Library's priority is to support the studies of Selwyn undergraduate students, you will find that judicious use of your College borrowing allowance will give you greater scope in your borrowing from your Faculty and the University Library.

Graduate students also appreciate our quiet study spaces, generous opening hours and friendly atmosphere.

Our 5,000 rare books (mostly theology) and items in our special collection of Victorian church and missionary history are all listed on our online catalogue. You are welcome to contact the Library for more information.

The College Archives may be useful for your research. Please contact the Archivist (archivist@sel.cam.ac.uk).

Please see our website for further information.

SECURITY AND SAFETY

Don't admit anyone to the Library unless you are certain s/he is a College member. If you are in any doubt contact Library staff or a Porter.

Keep aisles clear of bags, books and clothes.

Use a kickstep, not a chair, to reach books on higher shelves, and use the large stepladder to retrieve books from upper shelves on the Ground Floor

Leave all food and drink outside, other than water in sealable containers.

Make sure you know where the Fire Exits are and what to do in an emergency.

Keep valuables with you. If you are leaving any books and papers behind, make sure they are neatly stacked with a *Books in use* slip on top. Items apparently abandoned will be placed in a Lost Property box and, if left unclaimed, will be disposed of at the end of each term.

Please observe Library regulations and keep within copyright restrictions when photocopying and using electronic resources

Searching the catalogue

Use **Library Search**

<http://search.lib.cam.ac.uk/> or the quicklink
from our webpage.

Use **LibrarySearch+** for online articles

For **browsing** please check the list on the
noticeboard by the entrance desk and
information on the ends of the bookstacks.

You can borrow up to 12 items:

- **books for 8 weeks**
- **DVDs for 2 weeks**

How to borrow

Take the books/DVDs to the entrance desk and
use your University card to log in to the self-issue
machine. Follow the instructions on screen.

If the security alarm sounds as you exit please
return to the desk. Note the details in the Incident
Book, and try reissuing the items. If there is still a
problem please complete a paper loan slip and leave
it in the tray. Staff will add the items to your record
and email confirmation.

Returning / Renewing

Three days before what you borrowed is due back a
reminder email will be sent to your @cam address. As
soon as you get the reminder, please act.

To **return** items, post them carefully into the brown box
at the foot of the stairs. (Don't put books in there that
belong to other libraries.) This box is emptied at least
once each weekday in Term, at which point anything you
borrowed will be taken off your account.

To **renew items or check your account** use your
smartphone (see below) or the quick link to your account
on our webpage.

If you receive a *Not renewed* message onscreen, either an
item has been reserved by another reader, in which case
you must return it immediately, or you have reached the
number of renewals permitted (5 for books, 1 for DVDs) .
In this case please bring it to the Library Office to have it
returned and reissued.

Fines

Anything you return or renew after the due date will incur
a fine. This is charged at 25p per item per day; recalled
items at 50p per item per day. You will be notified by
email if you have a fine. You can leave the sum to be
added to your College bill, or call in at the office to pay it .

If you pass anything borrowed on your account to some-
one else it is still your responsibility. Your friend can
switch it to his/her Selwyn account by borrowing it at the
desk, it needn't be returned to the library first.
