<b>Selwyn College</b>	<b>Oct 2023</b>
<b>Risk Management Procedure</b>	<b>RMP/1A</b>
<b>Health and Safety Policy: Responsibilities &amp; Arrangements</b>	

<b>Responsibilities and accountabilities for health and safety</b>	<p>All individuals are responsible for taking care of their own health and safety and that of others who may be affected by their actions. All those present on the College site are expected to follow all health and safety guidance and procedures.</p> <p>The College has assigned the following responsibilities for health and safety management:</p>
<b>College Council</b>	<p>The College Council has ultimate responsibility for the health and safety of college members, staff, and other people affected by the College's activities. They are advised through the Compliance Committee which in turn is informed by the Health and Safety Working Group.</p>
<b>Bursar</b>	<p>The Bursar has overall responsibility for College health and safety on behalf of the College Council, including building structures, services and facilities and is responsible for ensuring:</p> <ul style="list-style-type: none"> <li>• Sufficient resources are available to meet the requirements of this Policy, in terms of funding, staffing and facilities;</li> <li>• Adequate arrangements are in place to control health and safety risks including appropriate approaches to risk assessment, training, recording and reporting of relevant data such as accidents; and other premises related monitoring and maintenance activities;</li> <li>• Relevant contracts for major projects specify the safety precautions that must be taken during the execution of the contract;</li> <li>• The College's Health and Safety Policy is reviewed and submitted annually to College Council and compliance with its objectives policy reported on;</li> <li>• Staff are disciplined as appropriate following any wilful failure to comply with College health and safety policy and procedures.</li> </ul> <p>The Bursar chairs the Health and Safety Working Group and the Compliance Committee to which it reports. Safety concerns from any member, staff member or visitor on College premises may be reported to these oversight bodies.</p>
<b>Operations Manager</b>	<p>The Operations Manager is responsible for health and safety for all operational and estates areas, including but not limited to:</p> <ul style="list-style-type: none"> <li>⊙ Reviewing and updating the College's Risk Management Procedures, ensuring updated procedures are reported to Compliance Committee and College Council, and that compliance is monitored;</li> <li>⊙ Ensuring members of staff are advised of all relevant health and safety legislation; and overseeing appropriate training provision through HR processes or by heads of department; including record keeping thereof;</li> <li>⊙ Recommending and developing new policies and procedures as required; and overseeing their implementation;</li> <li>⊙ Oversight of any requirement for occupational health surveillance by Heads of Department staff in conjunction with the HR department</li> </ul>

<b>Selwyn College</b>	<b>Oct 2023</b>
<b>Risk Management Procedure</b>	<b>RMP/1A</b>
<b>Health and Safety Policy: Responsibilities &amp; Arrangements</b>	

	<ul style="list-style-type: none"> <li>• Providing advice and support to Heads of Departments on day-to-day health and safety issues;</li> <li>• Liaising with the Health and Safety Executive, and other relevant organisations on health and safety matters, including the reporting of dangerous occurrences (RIDDOR) if applicable;</li> <li>• Monitoring health and safety performance by carrying out routine six-monthly monitoring inspections; maintaining records of all inspections;</li> <li>• Oversight of the completion and review of risk assessments by the relevant heads of department, staff, students or Fellows;</li> <li>• Ensuring that all accidents and dangerous occurrences are investigated and, where necessary, reported to the relevant authorities; or otherwise taking any appropriate remedial action where safety concerns are raised.</li> <li>• Ensuring that first aid facilities are sufficient to meet need;</li> <li>• Seeking advice from the College’s competent advisor for Health and Safety matters as necessary, or other appropriate bodies such as the University Safety Office.</li> </ul>
<b>Head of Buildings &amp; Maintenance</b>	<p>The Head of Buildings and Maintenance has the following responsibilities:</p> <ul style="list-style-type: none"> <li>• To advise the Operations Manager on a suitable scheme of preventative maintenance, examination and testing necessary to maintain a high standard of safety, including regarding the resources required and the necessary level of competence to carry out such work;</li> <li>• To ensure that such preventative maintenance schemes are implemented and records are kept for building, plant and equipment, including all statutory inspections and servicing;</li> <li>• To ensure that safe maintenance working systems, procedures and where appropriate permits to work are devised and implemented for working on plant and equipment, including projects;</li> <li>• To notify the HSE of refurbishment and building works in line with the Construction (Design and Management) Regulations 2015 or subsequent amendments;</li> <li>• To maintain an accurate asbestos register and ensure it is systematically consulted by those working on the College buildings ahead of time</li> <li>• To inform relevant members of the College community of building and health and safety issues, unsafe conditions, and restricted access areas due to maintenance works;</li> <li>• To progress reported health and safety actions as identified in risk assessments, audits and inspections;</li> <li>• To ensure adequate procedures are in place to control health and safety risks arising out of the maintenance and repair of College premises and Plant.</li> </ul>
<b>Heads of Departments</b>	<p>Heads of departments have overall responsibility for health, safety and welfare within their respective departments and do this by:</p> <ul style="list-style-type: none"> <li>• Ensuring familiarity with the College’s Health and Safety Policy and related risk management procedures across their department;</li> </ul>

<b>Selwyn College</b>	<b>Oct 2023</b>
<b>Risk Management Procedure</b>	<b>RMP/1A</b>
<b>Health and Safety Policy: Responsibilities &amp; Arrangements</b>	

	<ul style="list-style-type: none"> <li>• Where relevant, developing and implementing procedures and safety measures for managing safety within their departments; using a risk based approach;</li> <li>• Ensuring both they and their reporting staff receive training appropriate to their position and level of responsibility and complete all mandatory training; and keeping records of such training;</li> <li>• Ensuring the staff they supervise receive appropriate supervision, instruction, and information, to enable them to be competent to undertake safely the tasks assigned to them;</li> <li>• Carrying out formal risk assessments, manual handling assessments, and COSHH assessments and reviewing those assessments annually; as relevant;</li> <li>• Ensuring that staff have the essential tools, equipment and PPE for safe working operations;</li> <li>• Reporting accidents and near misses relating to staff within their departments; reporting serious incidents to the Bursar promptly and directly;</li> <li>• Ensuring all their members of staff are familiar with the fire evacuation procedures, know where fire equipment and exits are located, and take place in fire and emergency training;</li> <li>• Managing contractors and suppliers to ensure their activities are undertaken in a safe manner and safety procedures are followed;</li> <li>• Ensuring there is good communication within their team and there are opportunities for individuals to raise concerns about their work.</li> </ul>
<b>Fire Officer (Head Porter)</b>	<p>The Fire Officer is responsible for:</p> <ul style="list-style-type: none"> <li>• Fire safety management of all College properties to ensure compliance with the Fire Safety Order 2005. This includes: <ul style="list-style-type: none"> <li>○ Completing and reviewing fire risk assessments;</li> <li>○ Organising contractors to test and service fire alarm systems and fire extinguishers;</li> <li>○ Conducting fire drills and fire alarm tests;</li> <li>○ Completing checks of fire extinguishers, fire blankets, fire doors and emergency exits, signage, and other fire safety arrangements.</li> </ul> </li> </ul>
<b>HR Manager</b>	<p>The HR Manager is responsible for:</p> <ul style="list-style-type: none"> <li>• Reporting to the Health and Safety Working Group on occupational health related illness and absence;</li> <li>• Reflecting relevant health and safety responsibilities in job descriptions and person specifications; including the co-ordination of appointments of staff as first aiders;</li> <li>• Including reference to health and safety, and wellbeing competencies in job descriptions, performance and appraisal procedures;</li> <li>• Administering training provision and regularly updating Heads of Department on completion rates.</li> </ul>
