

Selwyn College Cambridge

## SELWYN COLLEGE SOCIAL DISTANCING AND FACE COVERING POLICY

Whilst not in itself a guarantee against the spread of Covid-19, social distancing and wearing a face covering when appropriate can help reduce the risk.

### SOCIAL DISTANCING

1. Keep your distance – you need to keep 2 metres apart from everyone else, unless they are in your student household.
2. 1 metre + is no longer sufficient given the new variant of Covid-19.
3. Keep left around the College inside and out, give way to people coming down stairs or out of staircases, and follow the signage.
4. Students don't need to maintain social distancing at any time with their household members.

### FACE COVERINGS

#### 1. Required (unless you have an agreed exemption):

- Carry a face covering with you at all times.
- Put on your face covering before you enter College through the main gate.
- You need to wear a face covering at all times when you are inside in communal areas (including landings and corridors) or in a room with other people.

#### 2. Not Required:

- When you are outside (although it is recommended).
- When you are eating or drinking.
- When you are in a room, e.g. a student study-bedroom, or an office, on your own.
- As a student in your own household area, including the rooms of other household members.

If someone asks you to wear a face covering, we also ask you to do so as a courtesy unless you have an exemption.

*Thank you for your co-operation in helping to keep Selwyn as safe as possible.  
Our aim is to be considerate of others for the good of all.*
