

Selwyn College

A – Z Recycling Directory: July 2014

Aerosols	Recycle in Recycling Banks, located at all College recycling points & in blue bins (hostels).
Aluminium foil	Clean kitchen foil, ready-meal foil containers etc. - recycle in Recycling Banks, located at all College recycling points & in blue bins (hostels).
Batteries	Recycle used batteries via Porters' Lodge. Also recycled at most large supermarkets, City Council offices and recycling points.
Bubble-wrap	Bubble-wrap can be forwarded to the Development Office for re-use.
Cans	Clean food and drinks cans - recycle in Recycling Banks, located at all College recycling points & in blue bins (hostels).
Cardboard	Recycle in Recycling Banks, located at all College recycling points & in blue bins (hostels). Must be flattened and have all packaging / staples removed.
Computers & IT equipment	Contact the IT Office regarding the disposal of faulty or discarded computers & any IT equipment. Not to be disposed of with general waste.
Cycles & cycle parts	The Bikeman, Market Square, will re-use or recycle bicycles and bike parts, and can collect in bulk (tel. 07747 591744).
Electrical appliances	Contact the Housekeeping Office regarding the disposal of all electrical waste. Not to be disposed of with general waste.
Envelopes	Re-use envelopes containing bubble wrap via the Envelope Exchange box, Porters' Lodge. White/brown/coloured envelopes can be re-used or recycled with paper (no need to remove plastic windows).
Glass	Recycle glass bottles and jars in Recycling Banks, located at all College recycling points & in blue bins (hostels).
Kitchen and garden waste	Compostable kitchen and garden waste can be placed in green wheelie bins, located at West Road, Cripps Court and College hostels. These facilities are provided solely for green waste from the College only.

Lids

Metal lids from jars can be recycled in Recycling Banks, located at all College recycling points and blue bins. Plastic lids can be recycled in blue wheelie bins.

Metals

Contact the Maintenance Dept. for recycling scrap metal. Not to be disposed of with general waste.

Photocopier toner cartridges

Clean, empty photocopier toner cartridges can be recycled in Recycling Banks and blue wheelie bins.

Plastic bags

Re-use or recycle at most large supermarkets.

Plastic bottles

Recycle in Recycling Banks, located at all College recycling points, and in blue wheelie bins. Plastic bottles should be washed and squashed.

Plastic packaging (not bottles)

Plastic pots, tubs, trays, lids, triggers, etc. can be recycled in blue wheelie bins & most supermarkets.

Paper

Try to avoid products with excessive packaging. All paper (including envelopes with windows), except for shredded paper (dispose of in green bins), can be recycled at College Recycling banks & blue bins.

Printer cartridges

Paper is collected weekly from College offices. Printer cartridges can be taken back to most shops for refilling. Forward HP cartridges to the IT Office.

Tetra Pak (milk, juice, soup cartons etc.)

Tetrapak cartons can be recycled in Recycling Banks, located at all College recycling points & in blue bins (College hostels).

Textiles

Unwanted textiles and clothes can be taken to textile banks at council recycling points (nearest one is at Lammas land car park, Newnham).

College recycling points & facilities:

Cripps Court (near entrance): Recycling Banks (for paper, cardboard, cartons, tins, foil, glass bottles & jars, plastic bottles, aerosols); Green wheelie bins for compostable/green waste & batteries, which must be bagged & tied to handle.

Kitchen Yard (adjacent to Sidgwick Avenue): Recycling Banks (see Cripps Court).

West Road (adjacent to 23 West Rd.): Recycling Banks (see Cripps Court); Green wheelie bins for green/compostable waste & batteries, which must be bagged & tied to handle.

College hostels: Blue wheelie bins (for all recyclables); Green wheelie bins for compostable/green waste & batteries- bagged & tied to handle.
